

Odisha Power Transmission Corporation Limited today launched a group health insurance scheme for its retired employees in association with the Oriental Health Insurance Company limited, a Central Govt. PSU. To mark the occasion Shri Sanjeev Singh, Managing Director of OPTCL today officially inaugurated the scheme and distributed the Insurance cards to some the beneficiaries in presence of all functional Directors. “Though the employees have retired, but all of them will remain family members of OPTCL. We cannot forget their long dedication of service for the company. This insurance scheme shows the belongingness and care of the Management for retired employees. I on behalf of Management wish them a healthy post retirement life” said Shri Singh in his inaugural speech. Till now around 300 pensioners have already registered under the insurance scheme. The Management of OPTCL is also planning for wide publicity among all pensioners so that maximum coverage can be ensured. The registered pensioners are insured for Rs.5.00 Lakhs from the date of payment of their premium. In case of death of the pensioners, their spouse can also avail the benefit of this scheme. The Senior Divisional Manager of Oriental Insurance Company Limited, Cuttack, Shri A.K Bhanja in his thank giving speech appreciated such initiative of OPTCL and assured for 24X7 support for cashless hospitalization of insured retired employees . Sri Jatindra Kumar Ray , Senior Union Leader appreciated the Management after receiving the insurance card from MD Shri Singh and assured for maximum enrollment under the scheme in the coming days . The management has also planned to educate the retired employees on claim procedure of the scheme through different medium of communication like. BulK SMS , dedicated slot in the web portal , print media and social media. Present on the occasion were Sri U.K Pati, Director (Operation), Sri Raghunath Pratihari, Director (HRD), Sri Samir Swain, Director (Finance), Sri R.L Panda, Director (Projects), Sri Chandra Sekhar Pradhan, Sr.GM (HRD) and Ms. Anita Mahapatra, GM (HRD).

OPTCL commissioned 132 KV RTSS Malatipatpur line from Samagara ss on 25th June at 17:49 hrs. This will facilitate power extension to Railway Traction System. High power electric locomotives henceforth can be used for passenger trains to famous tourist spot of Puri

On 26th June OPTCL commissioned another railway traction transmission project at Bhalumaska in Rayagada district at 6:40 PM
